

**LIST OF STUDENTS WHO APPLIED FOR AND HAVE BEEN
GRANTED ACCOMMODATION SPACES IN THE UNIVERSITY
HOSTEL BLOCKS FOR 2021/2022 ACADEMIC YEAR**

Hereunder is the list of students who applied for in-campus accommodation and have succeeded to secure spaces for staying in the University hostel blocks for 2021/2022 Academic Year after fulfilling the requirements as per **University Students Accommodation BUREAU Policy 2017**.

The beneficiaries are required to make payments immediately not later than **31st October 2021** as assurance of accepting the offer. Delay in payments shall lead to cancellation of the offer and be granted to other needy students who are in waiting list. So please pay your accommodation fee in line with other fees as it will be directed by the University Management as early as possible so as to be confident of securing the offer.

For other students who have not secured in-campus accommodation, they are advised to make arrangements for off-campus residence around the University premises. One may get the list of available off-campus residences during reporting period.

Thanks a lot, and once again welcome to Mbeya University of Science and Technology (MUST) for a Bright future of your Academic Excellence.
