

UPDATES FOR IN-CAMPUS ACCOMMODATION APPLICATION

I'm glad to inform all our prospective selected first year students for the academic year 2021/2022 that the time given to apply for in-campus accommodation is in its final stages as it'll end up in **6th October, 2021**. Remember that due to limited accommodation spaces in the University hostels, consideration will only be given to the one who wish and apply for. Failure to apply means you have decided for off-campus accommodation.

N.B. - Special consideration will be given to first year female students Certificate and Diploma who will apply. So, please apply and confirm for assurance of space acquisition.

- **The successful applicants' names for in-campus will be publicised in this site immediately after deadline.**

Thanks.

Napenda kuwakumbusha kwamba muda wa wanafunzi wa mwaka wa kwanza kuomba nafasi za malazi ndani ya Chuo kwa mwaka wa masomo 2021/2022 unaisha tarehe 6/10/2021. Kutokana na nafasi za malazi kuwa chache, watakaofikiriwa ni wale tu watakaomba kukaa ndani ya Chuo.

N.B. Kipau mbele kitatolewa kwa wanafunzi wa **kike** wa mwaka wa kwanza wenye uhitaji wa kukaa hostel za ndani kwa ngazi ya Astashahada (cheti) na Stashahada (diploma) kwa wale watakaomba na kuthibitisha uhitaji wao.

- **Majina ya watakao pata nafasi yatawekwa kwenye tovuti hii ya Chuo mara tu baada ya tarehe ya mwisho ya kutuma maombi.**

Ahsanteni.
